FIFTEEN CENTS

THE SAVINGS & LOAN had its own cheering section at last week's "Great Antioch Volleyball Challenge." The State Bank defeated the Savings & Loan at volleyball, but lost at cheerleading. The reasons were (on the bottom, from left) Linden Woods, Kaky Kelly and Kerry Kelly, (in the middle, from left) Lisa Woods, Colleen Kelly and Vicky May and (on top) Kirsten Kelly. More pictures on pages 18 and 19.

Correction!

Plans for the proposed new Antioch safety building will include storage for 10 fire department vehicles, not four as mentioned in a story last week. Architects have suggested a 10,000 square foot "vehicle storage area" for the fire department.

Homecoming fun begins at the high school

The 2 p.m. football game on Saturday is the big thing, of course, but Homecoming Week is "fun galore" at Antioch High School.

It's "Spirit Week" at the high school and the fun began Tuesday with the freshman class decorating the commons. The sophomores get their turn today, the juniors on Thursday and the seniors on Friday.

The traditional bonfire and pep rally will be held at 7:30 p.m. Friday at the football field, with a "sock hop" in the high school commons starting at 9:30.

THE HOMECOMING PARADE begins at 10 a.m. Saturday. The parade will start from the high school parking lot and proceed north on Main St. to Orchard St. Then, it will go west on Orchard to Broadway, then south to Lake St., east on Lake to Victoria, then south to Harden St. where the parade will end.

The football games against Stevenson's Patriots begin at 12 noon Saturday with the sophomore clash. The varsity teams take the field at 2 p.m.

The homecoming dance will be held from 8 to 11 p.m. in the south gymnasium. Coronation of the queen begins at 10 p.m. (A picture of the candidates appears on page 13.)

THE CLASS OF 1967 will hold its 10-year reunion Saturday.

Persons wishing to join in the fun can contact Timothy H. Osmond at 395-2500 or Bonnie Litchfield at the First National Bank, 395-3111.

"The official kickoff of our reunion will begin at the Limerick Lounge at 7:30 p.m. on Friday," said Mr. Osmond. "All alumni, from whatever year, are welcome."

Mr. Osmond said the class of '67 will gather for coffee in the high school commons on Oct. 8, after the morning Homecoming parade.

That night, a reunion banquet is planned at Antioch Country Club, with cocktails at 6:30.

During the game, members of the class plan to sit together in the stands.

Police capture 3 after armed robbery

An armed robbery at Kumst grocery store, south of the village, was solved by Antioch police Monday night shortly after it happened.

Sgt. Tom Fisher and patrolman Charles Watkins apprehended three suspects walking along Hy. 83, just south of Rte. 173.

After receiving a description of the three young men, Fisher and Watkins checked the area for 30 minutes, assuming the suspects were still on foot, as they were when they left the store with a pistol, \$200 in cash and an assortment of cigarettes, police said.

FISHER AND WATKINS returned the men to the store, where they were joined by Lake County sheriff's deputies.

The suspects are now in the county jail, charged with armed robbery. They are Timothy J. Troyer, 18, of rural Antioch; John R. Davis, 19, of rural Antioch, and David Reidlinger, 18, of Lake Villa, police said.

The police report said that Troyer, with a pistol, and Reidlinger went inside the store and held up clerks while Davis remained outside, apparently as a lookout.

THE INCIDENT HAPPENED at 8:25 p.m. Police said the three apparently

walked along the Soo Line tracks after they left the store and then came out on Hy. 83 on their way back toward Antioch.

Sheriff's deputies and Antioch police said the young men fitted the descriptions given by Mrs. Kumst, owner of the store, and another employee. They also reportedly had an assortment of cigarettes and a check taken from the store.

Police said they had hidden the pistol, which was found later, and that all three signed confessions.

"It was a very good piece of police work," said Chuck Miller, Antioch's assistant chief of police.

Reckers, Korom head areas of United Way

Two officers of Antioch banks are working in special areas to help the United Way of Lake County, campaign vice chairman John O'Meara said Tuesday.

They are Preston J. Reckers, vice president of the State Bank of Antioch, and Louis Korom III, operations officer of the First National Bank of Antioch.

O'Meara announced that he and Charles C. Isely will chair a division of the campaign.

O'Meara, president of the Citizens National Bank of Waukegan, will chair the financial division.

"Mr. Reckers is working closely with banks, especially those in western Lake County," O'Meara said. "He is encouraging all financial institutions to give to the United Way."

Isely, president of the Waukegan and Lake County Chamber of Commerce, is chairman of the industrial division.

Isely's section chairmen include Mr. Korom.

CANDY DAY CONTRIBUTION - Richard J. Daniel (center), executive vice president of the State Bank of Antioch, presents the bank's 1977 contribution check to Francis (Bud) Scichowski, left, and Harry Lindgren, right. The Antioch Lions Club "Candy Day" donation from the bank covers the cost of candy which will be given out on Friday and Saturday, Oct. 14 and 15, by Lions Club members working in shifts throughout the village. Proceeds from the two-day fund drive will benefit the blind.

Lions' annual 'Candy Days' scheduled here Oct. 14-15

The Lions of Antioch will practice what they preach on Friday and Saturday, Oct. 14 and 15.

What they preach is help for the blind and visually handicapped. This help comes in many forms - volunteer efforts, helping a blind person find a job, collecting used eyeglasses, and raising funds to support many programs that directly benefit the blind and visually handicapped.

The fund-raising comes in the form of Lions "Candy Day for the Blind," to be held Oct. 14-15 on street corners and in shopping centers throughout the community.

Lions and friends will "give away" candy rolls, and residents always respond generously with donations in that familiar-looking canister carried by the person in the Lions hat.

The Lions of Illinois Foundation administers several programs for direct help to the blind and visually handicapped, financed by Candy Day: the Mobile Glaucoma Screening Unit, Camp Lions, Eye Donor Registry, Used Eyeglasses Collection, publishing of the Illinois Director of Services for the Visually Handicapped, and a Social Services and Referral Program.

Candy Day money is also awarded in grants to Hadley School for the Blind; Leader Dogs for the Blind; Dialogue with the Blind; University of Illinois Department of Ophthalmology; and, a low vision program at the Illinois College of Optometry.

Joe Koch wins football contest

Antioch High's football team, as you probably know, defeated Cary-Grove 12-0 last Saturday.

And in the weekly Antioch News football contest, Walter H. Carlson, Bobbe Mowen and Joe Koch all picked Antioch to win by 12 points.

Joe came closest in the tie-breaker, however, and wins first prize: a \$15 gift certificate at Swan's Liquors. We'll be sending it to him in the mail.

Walter and Bobbe tied for second and will share the next two prizes.

Mike Haviland just missed, picking Antioch by 13 points over Cary-Grove.

Another contest appears in today's Antioch News. Be sure to enter before Saturday's 2 p.m. kickoff in the Homecoming game here.

Boy, 7, dies; library establishes memorial

The library at Manteno, Ill. recently observed an open house in memory of Matthew Parker, son of Mr. and Mrs. Richard Parker, whose grandparents, Bruno and Bernyce Parker, are residents of Antioch.

Matthew, 7, died in an accident while riding his bicycle.

Through the generosity of family, relatives and friends, a Library Memorial Fund was established. The memorial gifts were presented to Mrs. John Kuhn, librarian, by Mr. and Mrs. Richard Parker.

MORE THAN \$1,500 WORTH of books and audio visual equipment was purchased through the memorial fund, including five complete series of books and other books selected to be of enduring value for children in grades one through five.

The audio visual materials, consisting of a filmstrip projector and filmstrips, together with the books, were on display at the library during the open house. About 100 visitors viewed the Matthew Parker Memorial collection.

STARTING IN SEPTEMBER, the Manteno library sponsored a Matthew Parker hour each Saturday from 10:30 until 11:30 a.m., using the new film strip projector.

In the filmstrips are the Curious George series, Amelia Bedelia, Treasury of Animal Stories, Lyle the Crocodile, and Mrs. Peter Rabbit and Family.

Local teen-age girls assist the librarian and act as projectionists.

Prepare summer homes for winter

Vacation homes are a relaxing hideaway, but they also are a responsibility, especially between seasons. If you spend a few hours in the fall preparing your house for the winter, you will save both time and expense when it is reopened in the spring.

Here are some helpful reminders to put on your winterizing checklist:

- Broken water pipes are no way to begin a summer season; remember to turn off the main waterline and drain pipes to prevent them from freezing during the winter.

- Strip the linens off all beds. If you leave the beds made-up, the sheets may become damp and musty and attract unwanted, pesty insects.

- Phone the utility company to turn off service for the winter months; discontinuing gas and electric service is not only economical, but an important safety precaution, as well.

Also, check with the phone company to suspend service until further notice. This will

lower your monthly bill and avoid a re-installation charge next season.

Inform the post office to stop all delivery and to forward mail to your winter address.

- A thorough cleaning of all walls, floors, and other washable surfaces to remove spills and splatters left-over from summer fun will make reopening of the house and spring cleaning less hectic. To make the fall clean-up task quick and easy, use Fantastik® spray cleaner in every room. Just spray soiled areas with the spray cleaner and wipe with a clean cloth or paper towels.

- Cover large pieces of furniture—couches, chairs, tables, lamps—with old sheets to prevent them from fading and gathering dust which will accumulate over the winter months.

- Make sure all windows and doors are securely locked. Leave a key with a trusted neighbor in case of an emergency and also so they can make periodic checks.

Says 'Don't rap the good ones'

To the Editor:

In the fall, many men set out to prove, without talent, training or practice, they are a dead shot with a rifle. Every son of man will think he is a natural hunter.

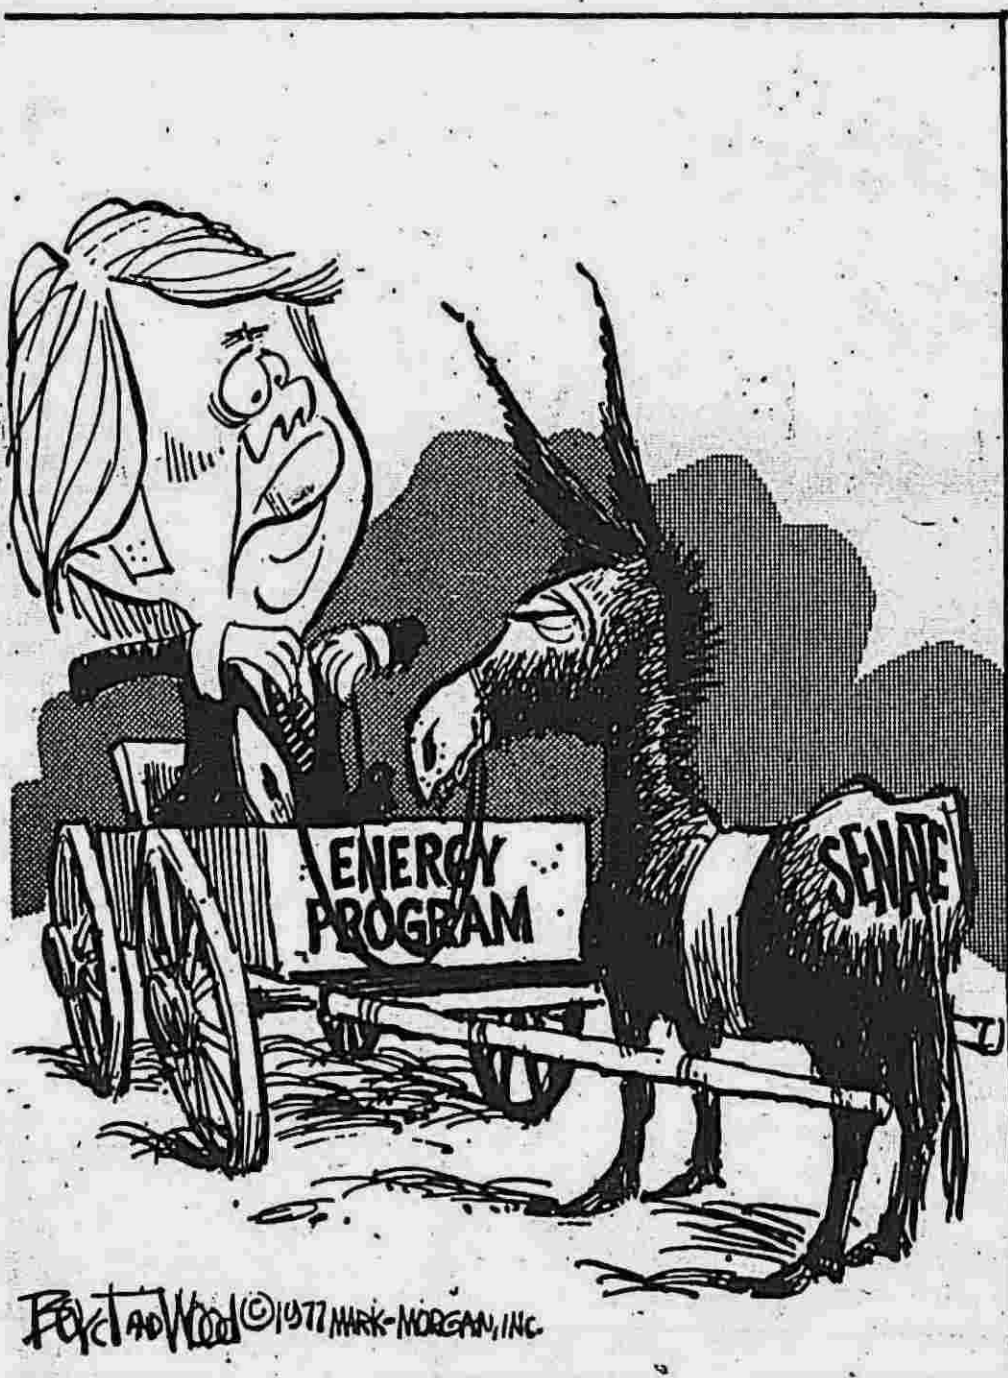

This is not said in criticism of the trained and talented sportsmen, for their interest in the welfare of wildlife is understood.

It isn't hunger or sportsmanship that drives the untrained males to the hills and forests but the preposterous sense that the hunting process has something to do with masculinity.

There are any number of good efficient hunters who know what they are doing; but there are men, untrained and overweight, as the high incidence of heart failure will prove. And there are gentlemen primed with whiskey and armed with high powered rifles. They shoot at anything that moves or looks as though it might. The slaughter of cows, pigs, dogs and highway signs makes autumn a dangerous season to travel.

It is this sort of hunter that gives the trained and talented hunter a black eye. This should not be. For in the end it will be he who will have to take the rap. Unjust as it is.

SOVEREIGN STATE OF AFFAIRS

Ronald Reagan Speaks Out CONGRESS SHOULD REJECT PANAMA TREATIES

The following is excerpted from Gov. Reagan's testimony Sept. 8 before the Senate Subcommittee on Separation of Powers. In addition to arguing against the Panama Canal treaties themselves, he pointed out that any proposal to give up U.S. property must be approved by both the House of Representatives and the Senate.

...only one nation can exert sovereign rights over a given piece of land at one time, and the 1903 treaty made it clear that we would do so in the Canal Zone and that the Republic of Panama would not.

To this day, it is those rights of sovereignty which undergird our ability to operate and defend the Canal. We cannot be kicked out summarily on the whim of some Panamanian government.

Confrontation Or Withdrawal

Once those rights are removed — and they will be removed immediately if the new treaties become effective — there is nothing to prevent a Panamanian regime from deciding one day to nationalize the Canal and to demand that we leave immediately. That would present us with the very thing the treaty advocates say we want to avoid: confrontation, or its alternative, unceremonious withdrawal in the face of an arbitrary demand.

For more than 60 years we have operated the Panama Canal efficiently, impartially and on a not-for-profit basis. The nations of the Western Hemisphere have come to

rely on our stable presence there to make sure that their commerce would get through unhindered.

We cannot be certain, if these new treaties go into operation, that key personnel now operating the Canal will not leave a great deal sooner than expected, thus bringing into question the smooth operation of the Canal. We cannot be certain that, as the American presence withdraws from the Canal Zone, new demands for accelerated withdrawal will not be made under threat of violence...

Castro, Soviets Ready

Fidel Castro, whose interest in exporting revolution is well known, has made quite a show of his friendship for the current military regime in Panama. And, just this summer, a delegation from the Soviet Union visited Panama to look into trade, investigate possible plant locations and even the possibility of opening a bank in Panama. It should never surprise us that whenever the United States withdraws its presence or its strong interest from any area, the Soviets are ready, willing and often able to exploit the situation. Can we believe that the Panama Canal is any exception?

I believe we will make a very grave mistake if we let ourselves be inveighed into debating what the treaties do or do not say. Yes, on paper, we are told we have the right to step in — even after we have turned over control and removed our forces. But will we?

'The Telephone Book' presented to library

A valuable addition to the Antioch library book shelves was made last week by members of the Lakeland Council of the Telephone Pioneers of America.

The book outlines in word and picture the history of the telephone company.

Three men - Alexander Graham Bell, Thomas A. Watson and Theodore N. Vail - changed the lives of all Americans - and that of most people in the world. Bell and Watson invented the telephone. Vail created a system to make it work.

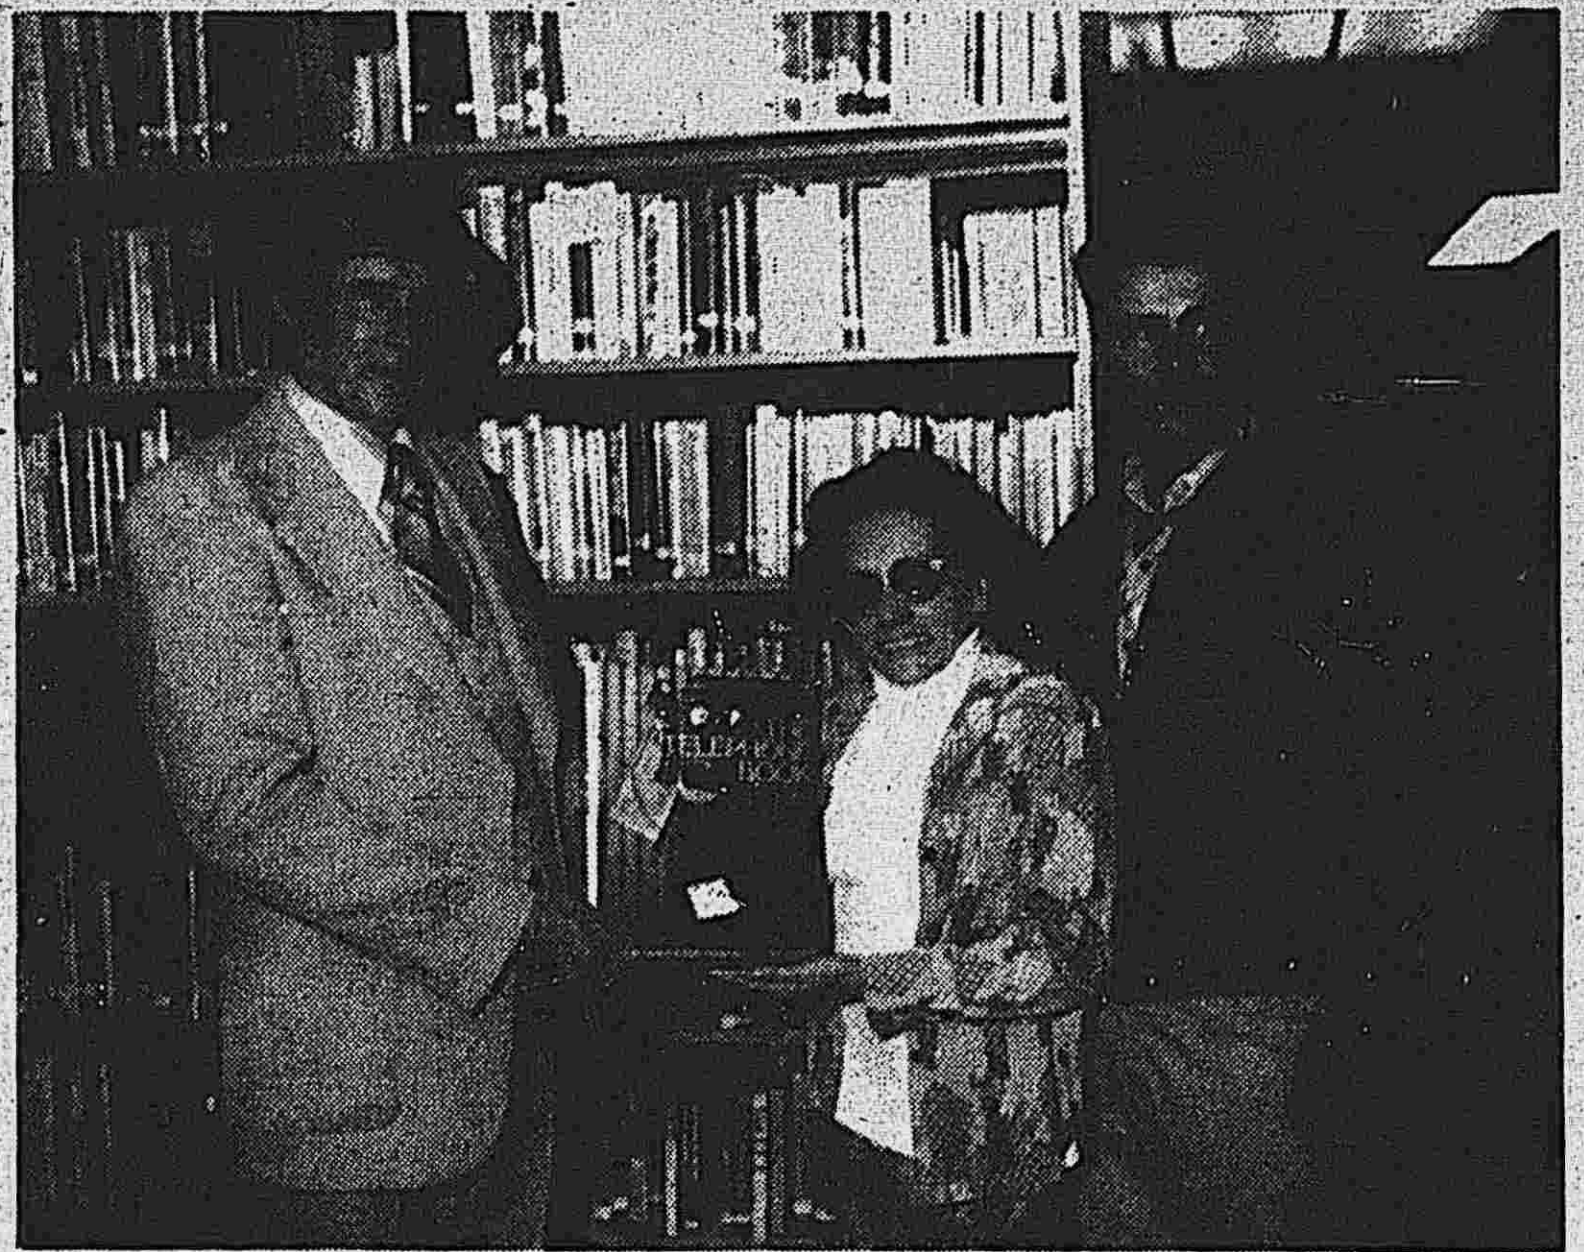

Their stories are told in a moving and personal way.

For the first time, specially commissioned art photography illustrates telephone history. Four picture essay gate-folds reveal: 1) Bell's other inventions; 2) the Bell Telephone Laboratories' remarkable scientific work; 3) the extraordinary development of Western Electric and the Long Lines Department of the Bell System; and, 4) the continuing philanthropic tradition, started by Alexander Graham Bell to aid the handicapped in the services of the Telephone Pioneers of America.

The story begins before the invention of the telephone and tells the search for quick, inexpensive and reliable means of communications.

Bell and Watson's early lives and their struggle for discovery are outlined. Successful at last, the drama continues to 1976: always building on Vail's dream of Universal Service. The author goes back in time and gives detailed accounts of Bell and Watson's lives after the basic discovery.

"The Telephone Book" is not a corporate history. Rather it is an illustrated essay, written with learning, affection and respect for the people who started it all and the people today who continue to make it work. The entire epic is told within the context of 100 years of American history.

"THE TELEPHONE BOOK," By H. M. Boettinger, was donated to the Antioch Township Library last week by Thomas F. Haley III (left) and Lawrence Clark (right), members of the Telephone Pioneers of America. Accepting the book is librarian Betty Lu Williams. (Story below.)

Marriott tickets at discount

"Don't miss your last chance to take advantage of visiting Marriott's Great America this year at a discount," said Richard Kirkpatrick, president of the Antioch Chamber of Commerce and Industry.

This will be the final weekend of the season. The park will be open from 10 a.m. to 10 p.m. Saturday and Sunday, Oct. 8 and 9, Kirkpatrick said.

Tickets are still being sold through the Chamber of Commerce for \$7.50 each. The usual prices for the tickets are \$8.95 for adults and \$7.95 for children ages 4-11. Children under 4 are admitted free.

Tickets are available from the Chamber office at 909 Main St., the State Bank of Antioch, the First National Bank of Antioch and the Antioch Savings and Loan.

They also can be purchased at King's and Reeve's drug stores, both

of which are open on Sundays.

"For further informa-

tion, call the Chamber office at 395-3381," Kirkpatrick said.

Many psychologists agree that parents should accept childishness in their children. It's natural for youngsters to fidget when they have to sit still for long stretches and to run instead of walk.

Experts have also found that too much regimentation may cause children to rebel. For instance, schools that take candy machines out of their lunchrooms to cut students' intake of sweets may find the youngsters boycotting the lunchrooms and going outside for what they want.

The event is sponsored jointly by the Parent Teacher Club and the school.

Following completion of the classes, parents and teachers will return to the Commons for a social hour with refreshments.

Fire Prevention Week starts with open house

The Antioch Fire Department is extending an invitation to all village and district residents to attend an open house at the Antioch fire station Sunday, from 1 p.m. until 4 p.m.

The station will also be open Monday through Friday from 7 p.m. till 9 p.m. during Fire Prevention week (Oct. 9-15).

On Sunday, starting at 1 p.m., a Waukegan firm will be demonstrating the use of fire extinguishers and how to use them on fires in the home.

The firemen will explain to residents how hook-ups are made to fight village fires from hydrants and how water is dumped into portable tanks to fight major district fires by tankers hauling water to the scene.

AT APPROXIMATELY 2 p.m. the Zion Fire Department will demonstrate its snorkel, rescue

operations and rope slides.

In the fire station, firemen will be on duty to explain the use of all the equipment employed in fire fighting.

Also on display will be scuba diving equipment, types of smoke detectors and air packs.

Movies will be shown and coffee and cake will be served.

MANY HOURS of training and work has gone into protecting the village and township residents by Antioch firemen. Now is the time for you, the people, to come to the station and show your interest in their efforts," said Mayor Michael J. Haley.

"Please keep in mind Fire Prevention Week, Oct. 9-15, and remember everyday, everyone should try to prevent fires," the mayor said.

Darcy DeVore, Roy Morrison are married

Darcy A. DeVore made the pastel floral print gown she wore when she approached the altar of St. Stephen Lutheran Church in Antioch to become the bride of Roy D. Morrison. The gown was cut from polyester crepe with an overlay of voile.

The Rev. Philip O. Laurin read the afternoon service which was witnessed by Mrs. Sam Busch of Antioch and the bridegroom's brother, David Morrison, also of Antioch.

Bridesmaids were the bride's sister, Denise Moffitt, Lori Burns and Paula Morrison, the bridegroom's sister. Their escorts were the bridegroom's brothers, Tom and Jim Morrison and Sam Busch.

The daughter of Howard DeVore of Dallas, Tex., and Mrs. Jane DeVore of Antioch and the son of Mr. and Mrs. Paul Morrison of Antioch were honored at a reception in the Venetian Village Civic Center. Guests included the bride's sister and brother-in-law from Panama, her grandmother from California and the bridegroom's great-uncle from Arizona.

The newlyweds are at home in Antioch.

THE 40-YEAR REUNION of Antioch Township High School's 1937 graduating class was held at Andre's Steak House in Richmond. Of the 52 graduates, 22 attended. Six were deceased. Three members of the class of '37 came all the way from California and one from Colorado. Seated (left to right): Kenneth Brown, Leone Buchta Schwery, Warren Sheehan, Jayne Allner Wagner, Ted Larson and Andrea

Dalgaard Goode. Middle Row (left to right): Elvera Barth West, Dr. Roger Thill, Doris Fitzgerald Dunn, Lillian Overton King, Clara Sherwood Dickson, Dr. Eleanor Zilke Rudvin and Bertha Petersen Curlee. Back Row (left to right): Charles McCormack, Leslie Houghton, Arthur Houghton, Robert Griffin, James Herman, Clarence Rosenstock, Otto Hanke, Phyllis Mount Holton and Wilah Bacon Untz.

SESAME NUT MIX FOR THE PACKED LUNCH

There are many advantages to packing your own lunch. In most cases it is more economical, especially when leftovers are used. Weight watchers benefit from the packed lunch because they can select sensible foods and control calorie intake. And there will be no waiting in line at the lunch counter when you bring your own favorite foods from home.

The packed lunch should contain foods that are easy to handle. Fruit, cheese and raw vegetables are good choices. Eliminate the empty calories and pack as much nourishment into the brown bag or lunch box as you can.

Suggested here are some packable lunch ideas using Planters Sesame Nut Mix, a nutty taste sensation made from peanuts, cashews and

crispy sesame seed sticks. Sesame nut mix is delicious with soup, as a substitute for crackers with fruit and cheese, or mixed with dried fruit and raisins as an accompaniment to yogurt. Look for it in the snack food section of your local supermarket or grocery store.

Lu Ann Gussarson weds Alfred Ultes

Nuptial rites in the Antioch Evangelical Free Church solemnized the marriage vows repeated by Lu Ann Gussarson, daughter of Mr. and Mrs. Ralph Gussarson of Antioch, and Alfred Ultes, the son of Mr. and Mrs. Rudolph Ultes of Lake Bluff.

Honor attendants at the rite read by the Rev. Bernard C. Fosmark were Mrs. Robert Chavez of Antioch, the bride's sister, and Kerry Webster of Lake Bluff.

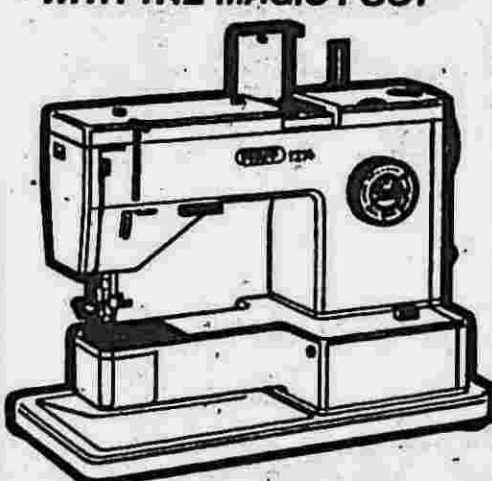

Bridesmaids were Edith Ultes, Barbara Pruitt and Robin Hughs. Their escorts were Duffy Gussarson, Kurt Kaefer and Bill Springer, Alan Gussarson and Robert Chavez seated guests.

Younger attendants were the bride's nieces, Patricia Gussarson, as the junior bridesmaid, and Lisa and Michelle Chavez, the flower girls. The bridegroom's brother, Rudy Ultes, carried the rings.

After a tour of the East Coast, the newlyweds are at home in Lake Bluff.

The new Mrs. Ultes is employed as an assembler at Intermatic Plaza in Spring Grove. Her husband works for Cherry Electrical Products in Waukegan.

FIRE CHIEF TOD MAPLETHORPE gave Eric Venn a push as the youngster started his ride in Sunday's American Cancer Society Bike-A-Thon here.

Antioch Jaycees manned the checkpoints along the seven-mile Bike-A-Thon route. Jaycees (from left) are Ron VanSoyoc, Chuck Spillner and Bob Pirko. The riders are Joe Weber and Roger Knowlton.

Jim Quedenfeld (left) was one of the firemen who checked in Bike-A-Thon riders at the fire station. Above, he signs up Stephanie Seemann, who was with her dad, Bill.

Cyclists pedal for miles to help fight cancer

Young people (of all ages) were out riding their bikes Sunday to help raise money in the fight against cancer.

The American Cancer Society's 6th annual Antioch Bike-A-Thon began at 9 a.m. at the fire station.

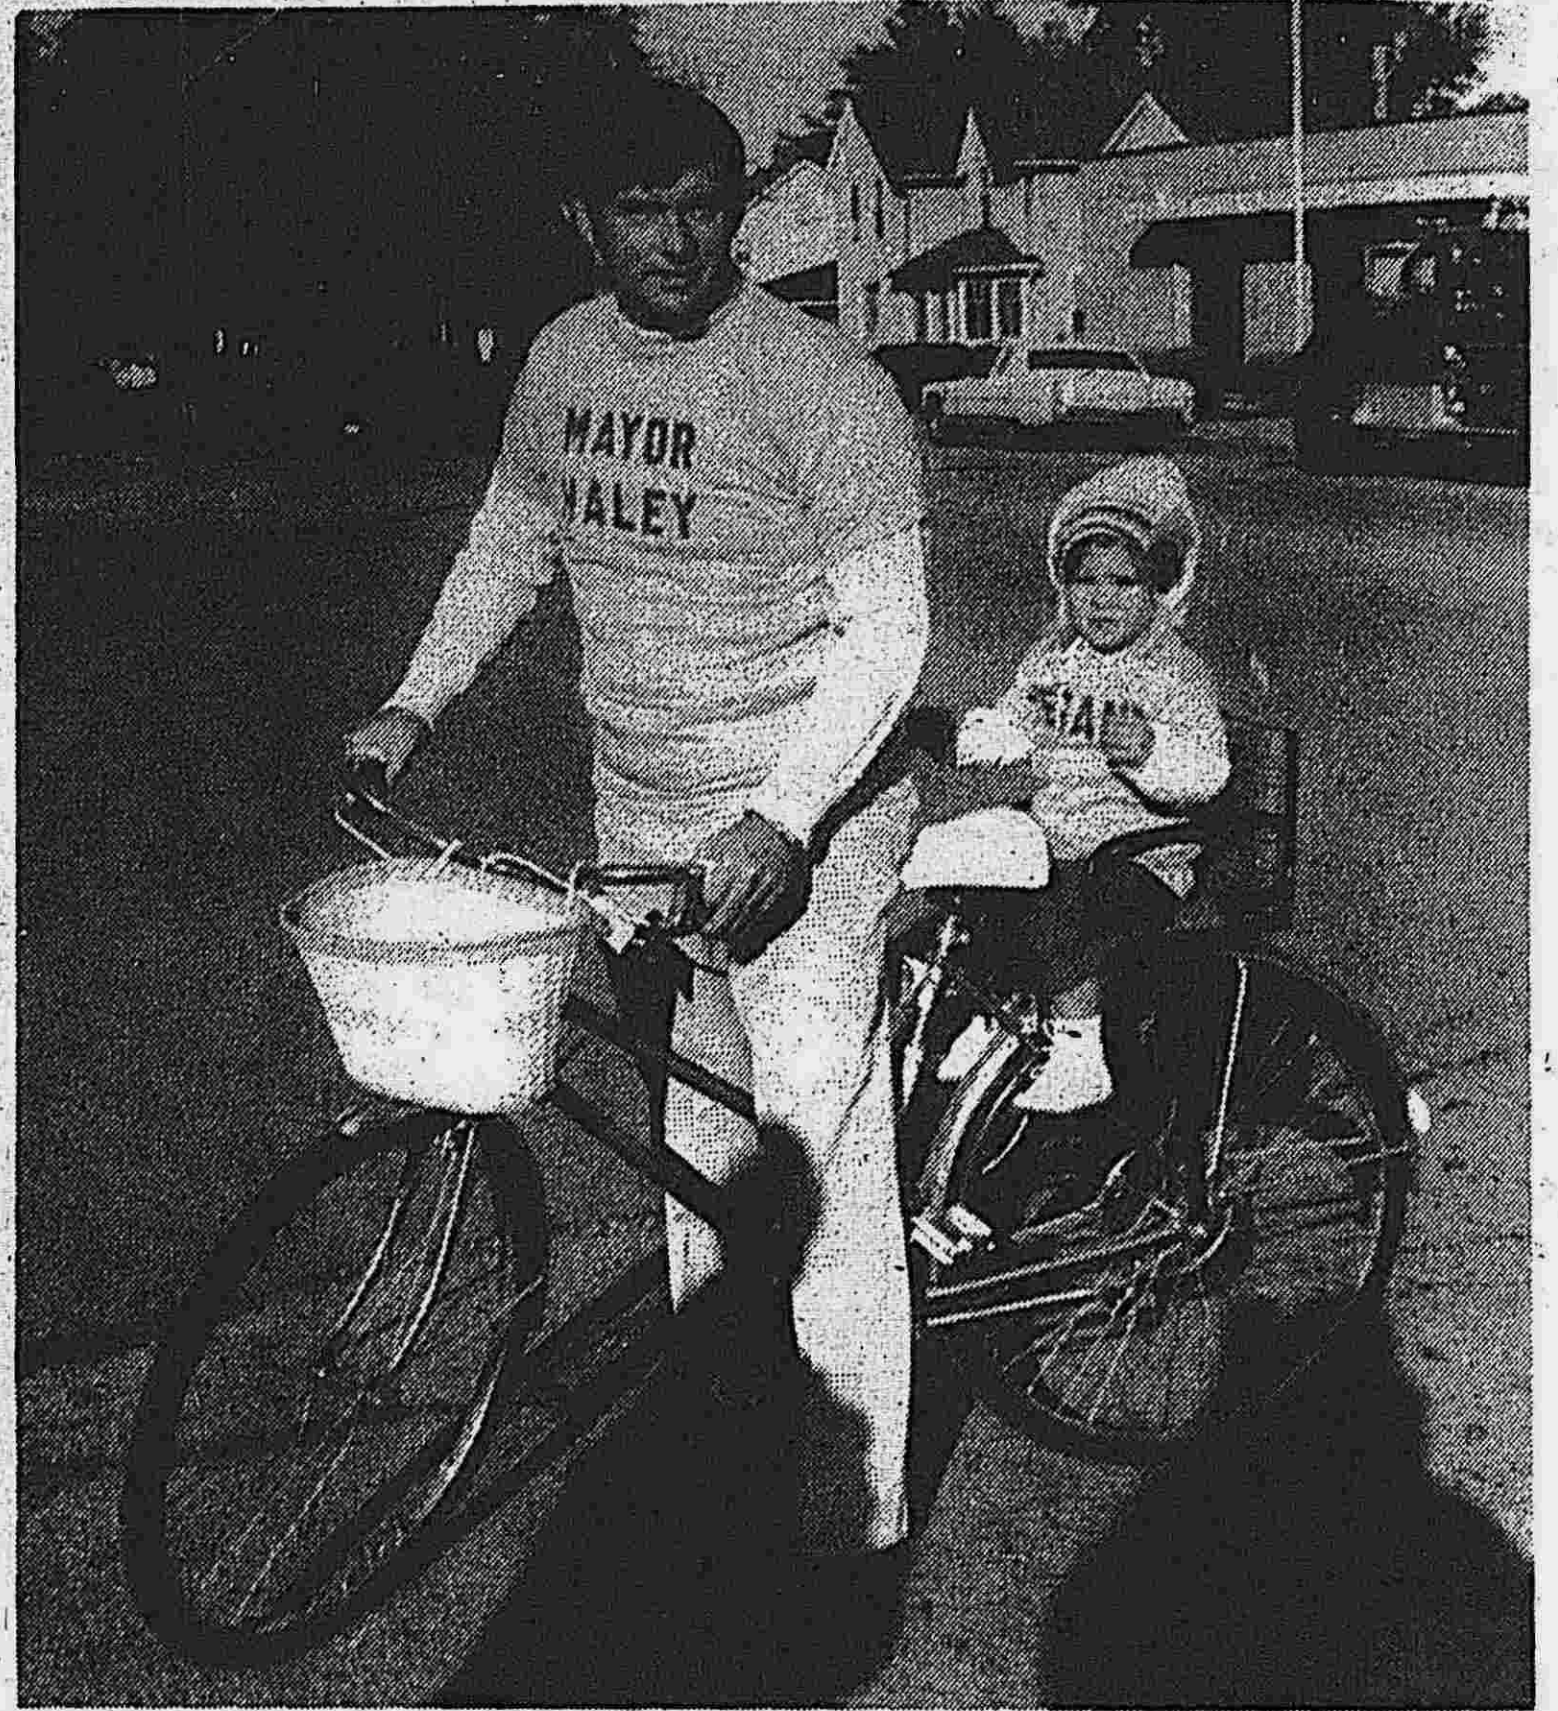

Riders registered throughout the day and were pedaling around the seven-mile route until 4 p.m.

Prizes to be awarded to top riders in the

1977 Bike-A-Thon include a 10-speed bike donated by the State Bank of Antioch, a 5-speed donated by the Shoe Box and a 3-speed bike donated by Four Squires.

Preston J. Reckers, vice-president of the State Bank of Antioch, once again was chairman of the event.

The annual Bike-A-Thon event took place on 14 separate routes through Lake County.

Mayor Mike Haley had a passenger for Sunday's Bike-A-Thon...his 2-year-old daughter, Megann. On the back of Megann's jacket was the message, "I Love the Mayor."

THEY'RE OFF ... Some of the many riders who participated in Sunday's Bike-A-Thon left the fire station at 9 a.m. for their first tour around the seven-mile route. They were pedaling for "pledges per mile" to help raise money for the fight against cancer.

ANTIOCH JAYCEES were out early Sunday morning, putting up signs to warn motorists that flocks of bike riders would be touring a seven-mile route in Antioch's annual American Cancer Society Bike-A-Thon. Glenn Hendrickson wields the hammer while Wally Jaszowski keeps his fingers out of the way.

First Flea Market

King Henry II of England is said to have "promoted" the first flea market in 1312. Fearing that contagious diseases were being spread by the itinerant peddlers as they traveled from castle to castle with their wares, Henry herded them all into an area called Haymarket. Later it became known as the "flea market."

A passer-by said to a boy, "That's a strange-looking dog you have. What kind is he?"

"A genuine police dog," came the reply.

"He doesn't look like a police dog to me," said the man.

"Of course not," answered the boy. "He's in the secret service."

Unique Political Commentary

By RONALD REAGAN

Continued from page 4

I don't believe such a concern is unjustified, given the recent history of our nation. We have shown a reluctance to meet the responsibility of free world leadership, even on occasion to abandon allies.

We have been told the Canal is declining in terms of military importance and yet all but a handful of our navy ships can transit the Canal.

Although the proposed second treaty would continue indefinitely beyond the expiration of the first one in the year 2000, the question must be asked, does it really provide what it says it will, which is the unilateral ability of the United States to step in to defend the Canal if its neutrality is threatened?

"A man with big ideas is a hard neighbor to live with."
Ebner-Eschenbach

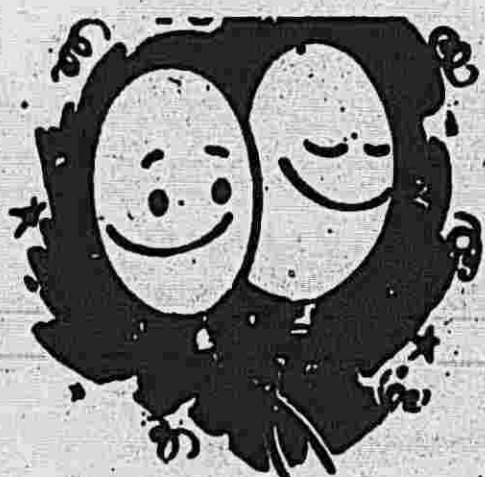

Treaty Letters Crucial

Shortly after President Carter announced his Panama Canal treaty proposals, Sen. S.I. Hayakawa (R-Calif.) said he might switch the position he took in last year's campaign and support the treaties "if they look as acceptable in particulars as they do in outline."

CFTR immediately wrote 500 key California Republicans urging them to let Sen. Hayakawa know that they oppose the canal giveaway.

The result? In the next month, Sen. Hayakawa received 25,000 wires, cards and letters — nearly all of them against the treaties.

Is the senator reconsidering his switch? Said an aide: "You bet he is!"

THE SERGEANT and the Bishop ... Frank DiMarco (left), rehearsing for his role as a police sergeant, questions Frank Greenwood, who plays the Bishop of Lax in "See How They Run," the comedy opening Saturday night at the PM&L Theatre in Antioch.

'See How They Run' opens here Saturday

The excitement of opening a new season and a new show permeates the PM&L Theatre as cast and crew are preparing the side-splitting comedy, "See How They Run," which will open Saturday and will run Oct. 15, 16, 21 and 22. Curtain time is 8:30 p.m.

The set is completed under the direction of Lou Jones. Deane Jones coordinated costumes. Louis Vasseur and Beth Schulz are setting the lights and preparing the lighting plot.

Betty Smouse is releasing publicity, arranging photos and a WKRS interview, and mailing out season tickets.

PAT SERSHON DESIGNED the posters, and Nancy and Chuck Balms are taking ticket reservations. Rosemary Scheske, as stage manager, is organizing scene changes, properties and following "book" during rehearsal.

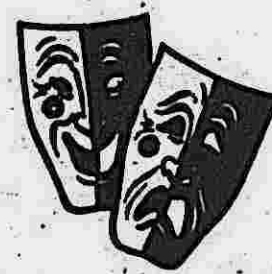

Director Pam Hunley, assisted by Lou

Jones, is running long and concentrated rehearsals so that the talented cast will please Antioch area theatregoers with a polished performance.

"The play is fast-paced and hilarious, so it's been a "fun" play to rehearse, but is also a lot of hard work, especially after working an 8-hour day (at least) before rehearsal," Miss Hunley said.

The cast includes Pam Guardi from Waukegan, Steve Woolaway from Mundelein, Bill Sershon, Nancy Balms and Aileen Biel from Antioch. Also, Charlie Brown from Trevor, Frank DiMarco of Antioch and Josef Hunley, Antioch.

"Call 395-3055 for reservations," Miss Hunley said. "Season tickets can still be purchased through the run of this play for \$13 for the five shows of the season. Box office prices for this show are \$3 for adults and \$1 for students."

PART OF THE FUN in "See How They Run" is provided by actors Bill Sershon (left) and Charlie Brown. Above, Charlie (right), as the Rev. Arthur Humphrey, anticipates along with Bill (who plays an army corporal posing as a priest) being thrown into a closet by an escaped convict during one of the play's humorous scenes.

Mrs. Lubkeman heads Mental Health group

A large number of members of the Antioch Mental Health Association met last Thursday at the library to welcome Mrs. Robert Lubkeman as new president of the association.

Mrs. Edward Warner read the secretary's report and Mrs. Norman Jedele reported on the finances. Mrs. Myrus Nelson was appointed membership chairman.

Mrs. Zaida Vos, Thrift Shop manager, reported the shop at 921 Main St. is doing well but more customers would be appreciated.

Mrs. Ray Lorenz, chairman of the 1978 Cotillion, said it would be held at the Lincolnshire Marriott on Apr. 29. Mrs. Philip Cirone is co-chairman. Mrs. Barbara Dunham volunteered to be ticket chairman and Mrs. Albert Bucar will be in charge of publicity.

It was decided that the association will meet a minimum of four times a year.

The next meeting will be Dec. 1 at the library. Mrs. Max Jester and Mrs. Edward Abderholden will be hostesses.

Following last week's meeting, refreshments were served by Mrs. John Hojem and Mrs. Jacob Feiler.

Woodchippers will meet on Oct. 12

T.J. Hooker of Crystal Lake will discuss and demonstrate the various aspects of bird carving at the Wednesday, Oct. 12, meeting of the Chain-o-Lakes Woodchippers.

The club meets on the second Wednesday of each month from 7 to 9 p.m. in the community room of the First National Bank of Antioch.

Woodcarvers are encouraged to attend this and any of the other interesting programs held during the

year," said Albert Dittman president of the club.

The major project of the club in 1977 was the carving of a 25-foot totem pole given to the village of Antioch. The club is now planning a spring wood carving exhibit and demonstration for the public.

Officers of the Chain-o-Lakes Woodchippers are Mr. Dittman, Vernon Thompson, Zion, vice-president, and Pat Kuper, Ingleside, secretary-treasurer.

ONE OF THE THREE seniors seated in front will be elected Homecoming Queen of Antioch High School this week. The candidates are (from left) Jeanie Tague, Lori Carrubba and Ricci Janka. The court of

honor standing behind them includes (from left) Gail Koss, freshman; Jeanie Cilik, sophomore, and Debbie Mondrowski, junior.

Homemakers prepare for style show

The Lake Region Homemakers' September meeting was held at the home of Mrs. Mary Wells.

Through the University of Illinois extension service the homemakers are exposed to a different educational subject every month and last month Mrs. Carol Whitton presented a lesson on "Crime Prevention in the Home."

At the meeting two new

members were welcomed, Mrs. Nancy Neckermann and Mrs. Betsy Houghton.

Most of the evening was devoted to planning the Homemakers' coming style show, "Sew and Show," to be held Wednesday, Oct. 19, at Andre's Steak House in Richmond.

A family style dinner will be served.

The Homemakers will model the garments they are sewing for the occasion. Area homemakers are invited.

The event will raise funds for two Antioch High School scholarships and 4-H donations.

For ticket information, persons can phone 395-1337 or 395-0251.

After the meeting, a reception will be for Lori Burns, who is grand representative to New Mexico. The meeting is open to the public.

Everyone is invited. Any girls interested in knowing more about Rainbow are

urged to come," said Louise Kutz, a leader of the group.

A roast beef cafeteria dinner will be served by the Millburn Ladies Aid of the Millburn Congregational Church at 12 noon Thursday in the church dining room.

The Royal Neighbors of America are holding a public card party Tuesday, Oct. 11, at 7:30 p.m. at the American Legion Home on Ida Ave.

St. Peter's school board is sponsoring a "Down Jacket and Vest Sale" to help you meet your needs.

It will be held on Saturday from 10 a.m. to 6:30 p.m. and on Sunday from 7 a.m. to 1 p.m. in Fr. Frawley Hall (downstairs of the church).

"We offer you this top quality wear at prices you won't want to miss, in sizes

"Lionel does bird imitations."

AARP plans 2 events

The Antioch chapter of the American Association for Retired Persons next Tuesday will hear a talk on "low income housing" by Mayor Michael J. Haley.

On Thursday, Oct. 13, the group will attend a dinner at \$6 a person at Beach Lodge Hall in Zion. The association's national president will speak. Tickets are available from Esther Aiani, 395-5354.

The local chapter meets at 12 noon on the second and fourth Tuesdays of each month at St. Peter's parish.

THEN & NOW!

THEN: PROBABLY THE FIRST MOTORCYCLE EVER SEEN IN AMERICA WAS A TWO-WHEELED VEHICLE INVENTED BY WILLIAM A. AUSTIN OF WINTHROP, MASS., IN 1868. IT WAS STEAM DRIVEN AND HAD A BOILER SUSPENDED AMIDSHIP. THE VEHICLE HAD A VERY LIMITED TRAVELING RANGE BECAUSE OF THE SMALL AMOUNT OF STEAM GENERATED.

NOW: THERE ARE AN ESTIMATED SIX MILLION MOTORCYCLES REGISTERED FOR STREET USE IN THE UNITED STATES, EACH USED BY AN AVERAGE OF 2 1/2 RIDERS. THAT'S ABOUT 15 MILLION CYCLISTS WHO ARE SHARING THE ROAD WITH MOTORISTS. THE MOTORCYCLE SAFETY FOUNDATION POINTS OUT THAT DRIVERS SHOULD KEEP A CLOSE WATCH ON TRAFFIC AND BE PREPARED TO SHARE THE ROADWAY WITH MOTORCYCLES AND OTHER VEHICLES!

Received some interesting thoughts in the mail yesterday from a lady who identified herself only as "Grandma."

"The child most often follows the footsteps you thought you covered up" ... and, "When you point your finger at someone, remember the thumb is pointing at you."

Thanks, "Grandma." You speak with wisdom.

A HAPPY 25TH wedding anniversary to Mr. and Mrs. Joseph J. Patrovsky, who celebrated Tuesday, Oct. 4. Their families honored them at a dinner ... couldn't happen to nicer people.

Mr. and Mrs. Paul Chase were happy to see the John E. Hills from Dreamland Villa, Ariz. Bessie and John have been visiting relatives and friends in Illinois. The hills were former residents of Antioch and left Sunday for their home in Arizona.

JUST CHECKED MY birthday book and I see that Carolyn Blanchette will be celebrating next Tuesday, Oct. 11. Bet her friends at the State Bank will have fun with that gal's birthday.

GERRI AND DON AMUNDSEN, and Sandy and Bill Herbst, might feel a year older in the next week ... you see, their daughters will be celebrating birthdays again. Sue Amundsen will be 18 on Saturday (she's at Marquette University now) and Kim Herbst will be 18 next Tuesday, the 11th. Kim is attending Northeast Missouri State University.

Here is a special note for parents of college students: Send Cookies (they're always hungry).

GET WELL WISHES are being sent to a very special friend of ours, Janet Williams. Hope it won't be long before you're feeling just great again.

DON'T FORGET Sunday's "Save Our Sight" program at Antioch High School.

The annual event is sponsored by the Lions Club and will be held from 10 a.m. to 3 p.m. In addition to eyesight screening for everyone 3 years of age and older, tests will be given for high blood pressure. Chest X-rays and information on diabetes also will be available. See ya there.

MARCHING SEQUOITS ENTER first competition -- The Marching Sequoits, Antioch High School's band, under the direction of Mr. John Olisar, will enter their first marching band competition on Saturday evening, Oct. 15. They have been invited to participate in the first annual Forestview Invitational contest in Arlington Heights. The Sequoits have been working on their competition show since summer band camp at Lake Geneva in August. Five other bands are competing in the AA class competition. Illinois Bell to move business office Oct. 17

On Monday, Oct. 17, Illinois Bell's Antioch business office will open at a new location, 484 Orchard St., in the Orchard shopping plaza. It formerly was the Foremost Liquor store, which moved to larger quarters in the plaza.

Manager G. W. Kaucher asked customers who pay their bills at the business office, or who plan to stop for any other reason, to make a note of the date and the new address.

"We'll be at our present location, at 932 Main St., until 5 o'clock Friday the 14th," he said. "The move will take place physically over the weekend, and we'll be open for business at 8:30 Monday morning in the Orchard plaza location."

KAUCHER SAID CUSTOMERS will notice a big

difference the first time they come into the Orchard plaza office.

"The front of the office will be our new PhoneCenter, where people can shop in person for residence telephones, including our ultra-modern 'design line' phones. And anyone whose home has been wired for the modular 'plug-in' type phones can pick out the one they like and just take it home with them. It's a whole new concept for us, and I think people are really going to like it," Kaucher said.

"In addition to the PhoneCenter store, all regular telephone business will be taken care of in the office, just as always. We're just adding a new dimension to our service, and I certainly hope our customers in Antioch and the whole Chain O'Lakes region will stop in to visit the PhoneCenter store," he said.

The second magazine in the U.S.—published three days after the first one—was Benjamin Franklin's *General Magazine and Historical Chronicle*.

Residents told: Be wary of some contractors

Antioch has had "some problems" with contractors taking advantage of citizens.

As a result, residents received warnings this week from both Mayor Michael J. Haley and the Chamber of Commerce.

At Monday night's village board meeting, Haley said: "There are some local and non-local contractors who are not of reputable background. We urge all village residents to know who their contractors are."

"We have had some problems," Haley added. "There are some people in the area who are taking advantage of our citizens. The village is aware of what's going on. We urge that before you enter into any contracts you know who you are doing business with, or check them out."

THE CHAMBER SAID, in response to complaints it has received from residents, that the Division of the Illinois State's Attorney's office holds complaint sessions from 9 a.m. till 12 noon each Saturday.

Attorney Mark Barmak is in charge and people can file complaints with him. There is no fee. The sessions are held at the Waukegan Chamber of Commerce, 228-C N. Genesee St. in downtown Waukegan.

"Because of poor business ethics on the part of some persons, people should be wary and not rush into buying anything," the Chamber statement said.

WALTER SHEPARD, SUPERINTENDENT of Public Works, said Monday night that the village is flushing its water mains and cleaning out the systems.

"Don't be alarmed," he said, "if you notice a little rust in your water in the morning. It should clear up. If not, call us at 395-1881."

Three zoning board hearings will be held Wednesday (tonight) beginning at 7:30 p.m.

One involves rezoning on Main St. and Harden St., across from the high school, and a petition opposing the plan is being circulated by residents of the area.

MAGICWORD

HOW TO PLAY: Read the list of words. Look at the puzzle. You'll find these words in all directions—horizontally, vertically, diagonally, backwards. Draw a circle around each letter of a word found in the puzzle then strike it off list. Circling it will show a letter has been used but will leave it visible should it also form part of another word. Find the big words first. When letters of all listed words are circled, you'll have the given number of letters left over. They'll spell out your MAGICWORD.

Ducks Unlimited group holds outing for youngsters

Antioch area sportsmen who belong to Ducks Unlimited held a "Green Wing Teal" party last Saturday for youngsters at the Red Wing Club at Deer Lake.

The event included a picnic with duck identification walks, a slide presentation, trap shooting, hot dogs and refreshments.

An Illinois conservation officer, a fish biologist and a game warden were on hand to introduce the youngsters to the outdoor sports of hunting and fishing.

A STATE CONSERVATION police officer, David Cunningham, congratulated three youngsters who scored 100 percent on a waterfowl identification test at last Saturday's "Green Wing Teal" party. From left: Dan Johnson, Ron Miller and Daryl Blanchette.

TOASTING MARSHMALLOWS at the "Green Wing Teal" party were (from left) Gussie Starcevic, Kyle Christensen and Jason Folbrick.

Antioch freshmen in victory mood

Antioch High's freshman football team "got on track," Coach Rich Brown said, scoring a 12-0 win over Cary-Grove last weekend.

The frosh had their opener against Dundee 0-0, then lost

to Grant 24-22 and Warren 16-0. Both losses were games against tough opponents.

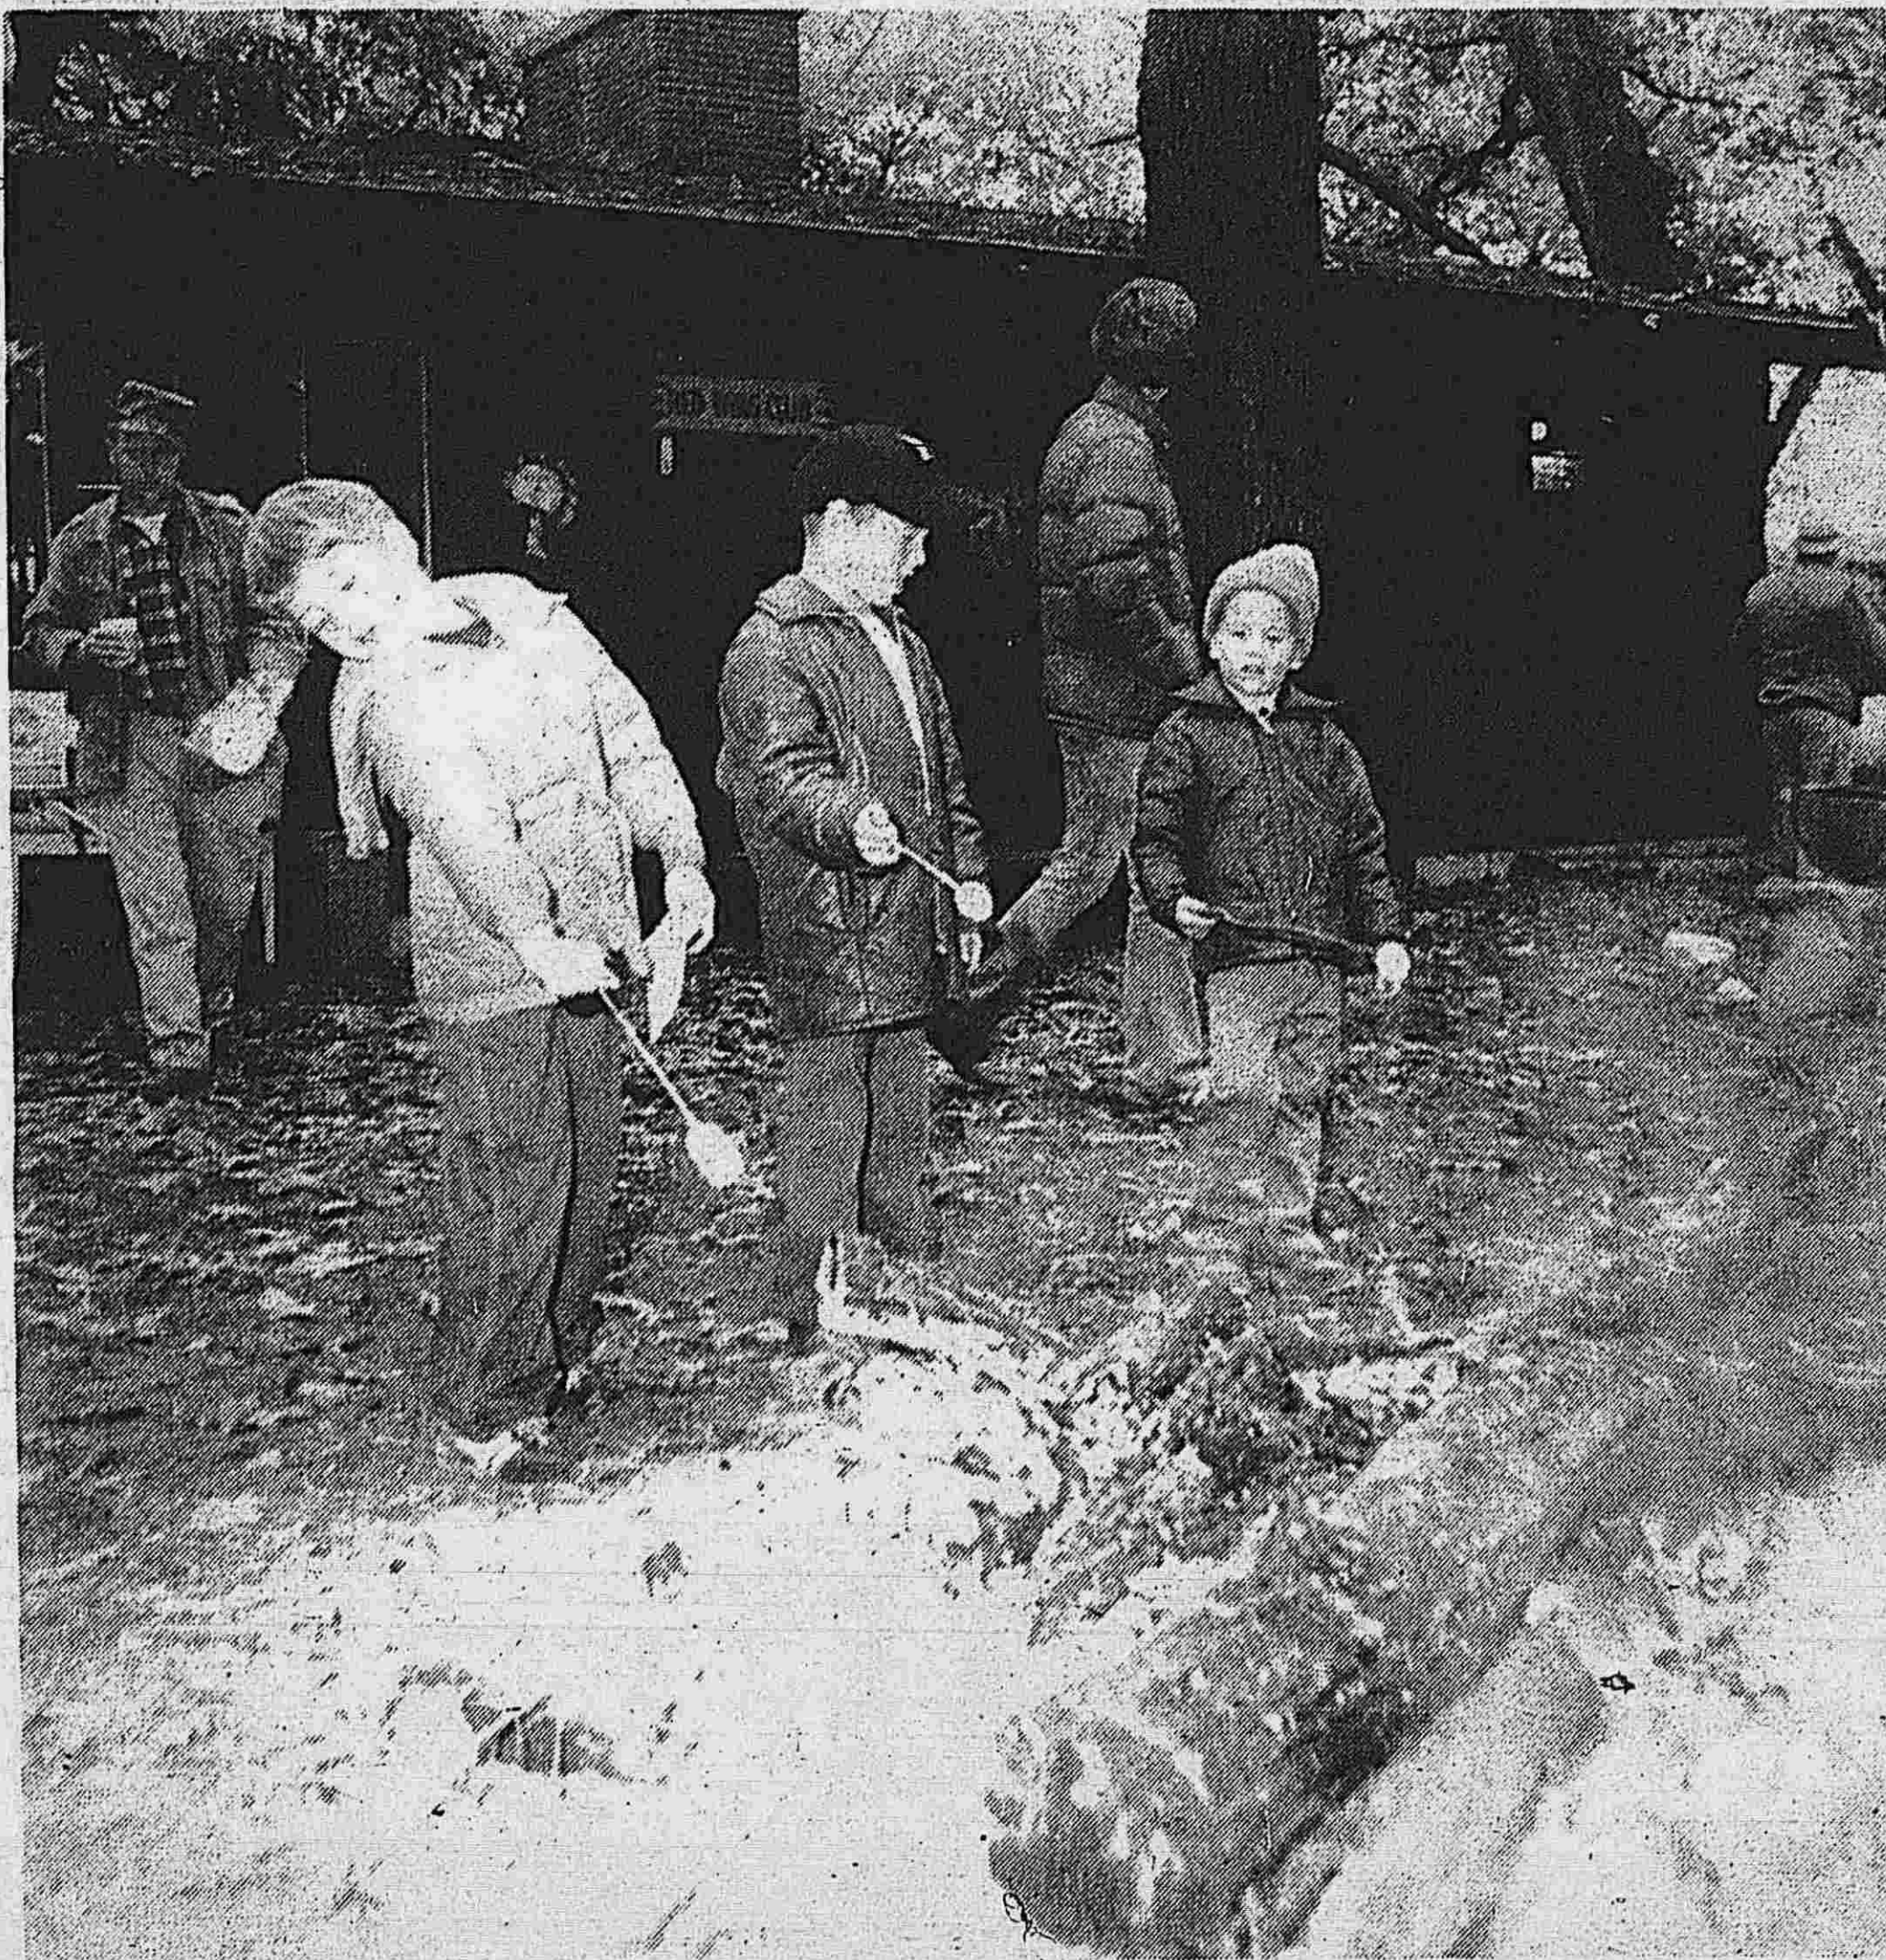

LAST FRIDAY'S WIN came despite injuries that Antioch suffered in the close game against Grant. Mark Pomazak, a running back, was lost for the year with a shoulder injury and Steve Jennerich was slowed by hand injury. Both were missing when the future Sequoits lost to Warren 16-0.

Against Cary-Grove, Robbie Stannard filled in for Pomazak and "turned in a fine performance," said Coach Brown. "So did John Bellucci, the other running back. Our offense was led by Bob Harget at quarterback, Jeff Schleussner, another running back, and ends Greg Schroeder and Dean Haviland.

SHUTTING OUT CARY-GROVE, the coach said, was the result of the defensive efforts of Pete Weber, Ted Bessette, Scott Wolf, Dan Boarini, John Domkowski, Mark Williams, Jeff Gebauer, Jennerich, John Jackson, Stannard and Bellucci.

This Friday, 4:30 p.m., the Antioch freshmen seek a Homecoming victory against Stevenson's frosh.

"Come and give the team your support," Coach Brown said. The game will be played at the high school field.

Antioch runners host big meet

By JENNIFER BIEL

The Antioch High School cross-country team will hold its annual invitational meet Saturday. At least 17 teams will be running. It will begin at 9 a.m. at Fox River Park.

The team participated in two meets last week. The meet on Thursday, Sept. 29, was against Stevenson and Woodstock. The girls beat Stevenson but lost to Woodstock. Top finishers were Carrie Corso, Cindy Irmen, Diane Otten and Nancy Harland. Others running were Tracy Curtis, Beth Pilkington, Jan Okresik and Kathy Cole.

DAVE MOHAR RAN in 13th place in the frosh-soph race with Jon Gibson, Mike Wilms and Daryll Sankey not far behind.

Antioch's varsity lost to Woodstock 29-27 but came in ahead of Stevenson. Running in 3rd place was Jim Eller with Zane Rogers 11th. Others running were Jim Gamber, Matt Firestone, Edison Sankey, Chuck Rogers, Bob Silvola, Dan Reban and Kevin Shepard.

Saturday's meet was Grant's invitational.

The first race was the girls' - a distance of 1.75 miles. Out of 81 runners Cindy Irmen placed 16th, Diane Otten 23rd and Nancy Harland 41st. The Antioch girls finished 8th among 12 teams.

THE FRESHMAN TEAM finished 13th out of 16 teams with Dave Mohar 41st, Mike Wilms 68th and Daryll Sankey 69th.

The sophomores also finished 13th as a team but Matt Firestone received a ribbon for 15th place. Jim Gamber came in 32nd.

The junior team did the best, 10th place out of 17. They also had the most competitors. In 57th position was Roger Plechaty; Jim Collis was 46th and Jim Eller topped Antioch with 11th place.

Seniors running were Zane Rogers 37th and Edison Sankey 45th.

"Individual members do well but the team lacks depth. More runners are needed next year," Antioch coaches said.

Upcoming meets are: Thursday against Grant, Saturday the Antioch Invitational, and Oct. 13 against Wauconda.

"THE GREAT VOLLEYBALL Challenge," held last week, was won by the State Bank of Antioch, which defeated the Antioch Savings and Loan Association to regain the "Athletic Supremacy" trophy which is passing hands between the two financial institutions. Some members of the State Bank team credited their victory to the athletic prowess of Glenn Hendrickson (right), while other players claimed they were the real stars. Behind Glenn are Paul Kinas and "Walloping" Wally Jaskowski.

'Athletic Supremacy' is equal now

WINNERS OF LAST WEEK'S big volleyball match between the State Bank of Antioch and the Savings & Loan was the State Bank. Its team members are shown above as Tom Kelly (standing, fourth from left), president of the Savings & Loan,

returns the "athletic supremacy" trophy to Bill Brook, president of the State Bank. Kelly had received the trophy from Brook when he defeated Sate Bank employees in the recent "Great Antioch Swim Challenge."

DEFEATED, BUT STILL SMILING, members of the Antioch Savings & Loan team posed with Wally Jaszowski (second from left), coach of the State Bank volleyball team. Jaszowski estimated the crowd at the Little League park at 2,640 ... but he

might have been exaggerating a bit. Notice that the referee, Mayor Mike Haley, had "Antioch Savings" on his striped shirt. But when he posed with the State Bank team (top photo) he turned the shirt around so that it read "State Bank of Antioch."

ANTIOCH'S VIKING FOOTBALL program received \$100 each from the State Bank and the Savings & Loan as a result of the "great volleyball challenge" between employees of the two financial institutions. From left:

Jim Swiatek, executive vice president of the State Bank; Kris Vogt and Dave Walsh, Viking football players, and Tom Kelly, president of the Antioch Savings & Loan Association.

Sophs lose, but still lead loop

Antioch's North Division co-leading sophomore Sequoit football team traveled to inter-division foe Cary-Grove Saturday to take part in the Trojan Homecoming festivities.

The Sequoits ended up as the main course on the Trojan dinner table, and were forced to return to Antioch with a 20-8 loss.

It was a frustrating afternoon for the young Sequoits - both on offense and defense - with a combination of Antioch errors and good Trojan performance contributing to the downfall. The Sequoits are currently 3-1 overall, with a 2-0 conference record.

CARY-GROVE OPENED scoring by shocking the Antioch defense on a third down and 13-yard situation with a 71-yard touchdown scamper around end. The PAT attempt was unsuccessful.

In the second quarter, Cary-Grove launched a 51-yard scoring drive that took 13 plays and allowed the Trojans

the luxury of a 14-0 halftime lead.

The Sequoits scored in the third quarter when a poor punt snap gave Antioch possession on the Cary-Grove one-yard-line. Denis Flaschner scored the lone Antioch touchdown and PAT.

With the score 14-8 the Sequoits were unable to generate any consistent offense the remainder of the game. Cary-Grove added an insurance score in the fourth quarter to ice the victory.

SATURDAY, THE SEQUOITS will play host to the always tough Stevenson Patriots. Antioch and Stevenson are both 2-0 in the conference's North Division. The winner will enjoy a full-game lead over the remainder of the North Division teams with only two conference games to be played.

The sophomore Sequoits kick-off the Homecoming football activities Saturday at 12 noon, with the varsity game beginning at 2 p.m.

VIKING SCOREBOARD

Lightweights

The Antioch Lightweights' 20-0 victory against Waukegan on Sunday, gave them an impressive 3-1 record.

In the first few minutes of the game, Bob Thain recovered a Waukegan fumble and on the next play ran 43 yards to Waukegan's 9.

Waukegan's tight defense prevented a Viking score. Matt Stevens and Andy Lehn tackled the punter in the end zone for a safety, giving the Vikings a 2-0 lead. Joe Emmerich, Lehn, Stevens and Thain made key defensive plays to keep Waukegan scoreless, Antioch coaches said.

In the second quarter, Tom Haviland, on a quarterback sneak, made the first Viking T.D., making the score 8-0.

A fumble recovery by Lehn enabled Dave Walsh to reach the 10, but penalties prevented a score. Lehn recovered another Waukegan fumble and made several good punts to the 4 yard line where the Waukegan defense held, keeping the score 8-0.

In the second half the Vikings refused to be denied again and Thain ran 41 yards for the second T.D.

Stevens, who did Antioch's punting, also made a fumble recovery.

John Humphreys intercepted three Waukegan passes.

Featherweights

THE ANTIOCH FEATHERWEIGHT Warriors looked impressive with a 33-0 win over Fox Lake. Tad DeRousse recovered two fumbles and Dan Berkiel ran for two touchdowns. He also had two called back.

Tom McLellan threw two touchdown passes.

The Warriors previously defeated McHenry 14-0 with Chuck Duha passing for a touchdown to Steve Edmonds. McLellan then scored on a 30-yard run.

THE LYONS-RYAN FORD "Punt, Pass and Kick" contest will be held at the high school field this Sunday, just as the Viking football games will.

The contest begins at 2:30 p.m. and Viking players will be taking part along with other youngsters.

In other Viking games last Sunday, the Heavyweights lost 12-6 to Waukegan, the Featherweight Buccaneers lost 31-0 to Glenview and the Raiders lost a tough 6-0 decision at McHenry when their tying touchdown was called back.

Varsity golfers are averaging 38

The Antioch varsity and sophomore golf teams each won two conference meets and one non-conference meet in the last week.

Antioch's four-man varsity shot a 162 to Jacob's 185, a 157 to North Chicago's 161 (at North Chicago), and a 151 to Stevenson's 176.

The varsity has accumulated a team average of 153 (38.25 per nine holes) as of the Stevenson meet.

"The team average is disappointing in the respect that the golfers averaged much lower scores this last summer," Coach Harold Abramson said.

The main reason for the "high" individual scores is the lack of practice time, he said.

"In the summer the golfers averaged 6 to 7 hours a day and now they get 6 or 7 hours a week. With the lack of practice time their swings do not come naturally," he added.

"This means they must think more about their swing and each shot they take. At times this seems very difficult for them and at other times almost a natural process. This explains the up and down scoring of the individual player and the higher than expected team average. As soon as Antioch's varsity golf team begins to think and play intelligent golf, the scores will drop down to where they belong," the coach said.

MEDALIST AGAINST Jacobs was Del Gorski (39), against North Chicago it was Brad Masopust (37), and against Stevenson Gorski was again low score with a one over par 36.

Antioch's sophomore team defeated Jacobs 182 to 210 with low scorer Dave Behne shooting a 43.

George Roth and Behne tied with 42's to defeat North Chicago 175 to 199. Roth was again medalist at Spring Valley Country Club against Stevenson with a 40.

THE ANTIOCH SOPHOMORES have a 180 team average and a 9-2 record.

"This record is even more amazing in that all the other teams we have played use seniors and juniors, plus sophomores and freshmen, to make up a junior varsity team, while Antioch uses only sophomores and freshmen," the coach said. "In other words Antioch's freshmen and sophomores are beating juniors and seniors as well. This should be an indication as to the future of Antioch's golf teams.

Also contributing to the sophomore team's good record has been sophomore Bill Strahan and freshmen Dan Rezin, Brian O'Neill and Bill Witek, Abramson said.

Golden Rule

It is often not considered how important mature judgement and superior ethical standards are in your selection of a Funeral Director. But remember he usually meets his clientele at a time when their defenses are down. What they say, what they do, what he hears under such circumstances are privileged—not for other ears. His respect for a bereaved family and its problems must equal his respect for his own family, which has its own strengths and weaknesses. A Funeral Director can purchase many things to add to the comfortable atmosphere and efficiency of his establishment but judgment and standards are not among them. Some seem to be born with them, some acquire them as time reveals the true meaning of life to them, and others... what can one say?

Sequoits face tough foe in Homecoming

Impressive in last Saturday's 12-0 victory at Cary-Grove, Antioch High's football team finds out exactly how good it is in Saturday's 2 p.m. Homecoming game here.

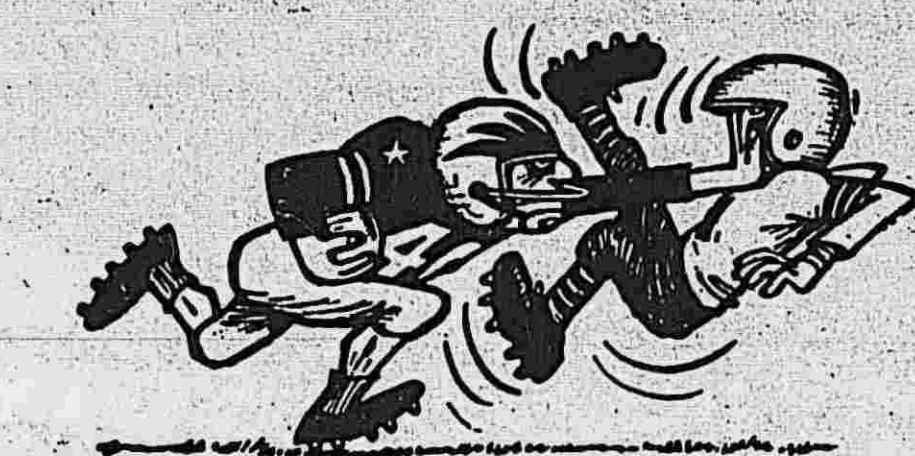

The opponent is Stevenson's Patriots, winners of two games in division play but stunned by Woodstock 32-12 last week.

Stevenson had been undefeated in three games before running into Woodstock. Now, the Patriots will be seeking to bounce back against Antioch's rapidly improving Sequoits.

Three fumbles hurt Stevenson against Woodstock.

EARLIER, IN A 35-7 win over Grayslake, Stevenson looked super as Mark Schmitke ran for 167 yards, including a 90-yard touchdown run.

His brother, Todd Schmitke, also is a dangerous runner. Antioch, however, appears ready to give the Patriots

plenty of problems. The Sequoits, led by the passing of junior quarterback Rob Nauman and receiving by seniors Tim Huebner, Jeff Mulder and junior Scott Schroeder (combined with the ground attack led by Gene Lehn, Ken Rosenbrock and Tom Huebner) scored 12 points.

The first score was a 10-yard touchdown pass from

Nauman to Tim Huebner early in the second quarter. The second touchdown was scored on a two yard run by junior Greg Bodin.

"All in all this was the best offensive showing of the season," said Coach Roy Nelson.

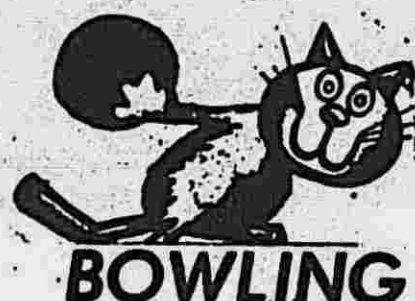

THE ANTIOCH DEFENSE forced Cary-Grove to punt eight times along with forcing one fumble. Cary-Grove was allowed only three first downs and made only 15 yards rushing.

"We really looked good on defense," said Coach Nelson. "Our defense has given up fewer points every week. Dundee scored 34 points against us in our opener and now we've worked our way to a shutout."

"We did some things we haven't been able to do before," said Nelson. "This is the first time all season we've been able to sustain a ground attack. I think we're beginning to understand some things that we didn't understand before."

LEHN LED ANTIOCH'S ball carriers with 72 yards in 19 tries. Rosenbrock picked up 43 yards in 11 carries and Huebner 34 in 6.

Nauman completed 5 of his 15 passes for 73 yards.
